

SeniorServ Receives \$20,000 Grant from Bank of America for Meals on Wheels Program in OC

Anaheim, Calif. (December 8, 2016) – SeniorServ - the county's largest nonprofit Meals on Wheels provider - was presented with one of 21 grants from Bank of America. A total of \$260,000 in grants were distributed to Orange County nonprofits working to increase access to basic necessities including food, shelter and other fundamental needs for Orange County families and individuals in need.

“SeniorServ is grateful to Bank of America for supporting the basic needs of food security and nutrition for our senior community,” said Holly Hagler, SeniorServ President and CEO. The generous \$20,000 grant will provide hundreds of meals to the county's most vulnerable seniors ensuring our goal of sustainability in meeting an increasing demand for Orange County's growing senior population. (is this continuation of her quote?) If so it should look like this

“This generous \$20,000 grant will provide hundreds of meals to our county's most vulnerable seniors ensuring our goal of sustainability in meeting an increasing demand for Orange County's growing senior population.”

“Basic needs assistance is a critical stepping stone on the pathway to financial progress for individuals and our community as a whole,” said Allen Staff, Orange County market president, Bank of America. “We're honored to support leading nonprofit organization partners in Orange County that are helping individuals in our community move out of poverty toward better financial futures.”

About SeniorServ

As the largest nonprofit Meals on Wheels senior nutrition and supportive service provider in Orange County, SeniorServ nourishes the wellness, purpose, and dignity of seniors and their families in our community. Incorporated as the Feedback Foundation in 1967, the organization merged with Senior Meals and Services in 2006 to create Community SeniorServ dba SeniorServ, a new agency with greater capacity, energy, resources, and vision for the sole purpose of meeting the increasingly diverse needs of the elderly population.
