

Our Mission

To improve the quality of life for older adults persons with disabilities and their families by creating a safety net of health, nutrition, and supportive services that enhance independence, well-being and dignity.

Volunteer Services

SeniorServ volunteers provide a vital network of caring friendship and support to frail older adults living independently in the OC community. Over 500 volunteers generously give a combined total of over 100,000 hours annually in support of our program and services. As the senior population increases in number, so does the need for more dedicated volunteers to help prevent malnutrition, loneliness, and premature institutionalization of Orange County's older adults.

SeniorServ provides nutritious meals and a variety of supportive services to seniors in Anaheim, Brea, Buena Park, Costa Mesa, Cypress, Fountain Valley, Fullerton, Garden Grove, Huntington Beach, La Habra, Los Alamitos, Midway City, Orange, Placentia, Santa Ana, Seal Beach, Stanton, Tustin, Westminster and Yorba Linda.
